How we use your information (Data Protection)

We collect, use and store personal information (in line with the Data Protection Act):

- for the reason you have given it and where you have granted us permission
- to deliver and improve our services
- to prevent and/or detect crime and to carry out enforcement action (where required)
- to check your details are correct across our services
- identify other services that may benefit you

You can find out more about [how the council uses your information](#)
